

Dear Colleagues,

We hope you are doing well and you had a great start of the new year!

I am Mr. Mahsutali Kurbanov, responsible staff for collaboration in Erasmus+ project at the Department of International Cooperation at Namangan State University (Uzbekistan). I am kindly writing to you to consider the possibility of involving our university in the new call 2022 cycle which you might be planning in applying for Erasmus+ Credit Mobility Projects, Capacity Building Projects or Internship Opportunities.

Namangan State University is considered one of the largest and prestigious higher educational institutions in Uzbekistan. Currently exists 52 bachelor degree programs, 26 master degree specialists, 24 PhD specialized fields at the university. The forms of education consist of full-time (day), full-time (evening), part-time and distance. Total number of students is over 27000 while about over 1100 teaching staff are engaged in teaching activities.

To make the application process easier, I have attached a brief brochure about our university in English.

At your request, I can send you necessary information, or you may pursue at our website at [www.namdu.uz](http://www.namdu.uz)

We would appreciate your willingness to cooperate with us. If there is any collaboration opportunity, please do not hesitate to contact us.

Looking forward to hearing from you.
